

# ST GERMANS AND DISTRICT TWINNING ASSOCIATION

## NEWSHEET

NO 1

AUGUST 1990

The interest shown in the Association at our two functions to date has been most encouraging. Several members have made private visits to Plouguerneau and the two schools have made positive contact. Reports back are very favourable so it would appear that the Twinning with Plouguerneau is a distinct possibility. We as an Association have been invited to make an official visit to Plouguerneau for the weekend of 22 September. Will members interested in making this visit please complete the form enclosed.

Our thanks to Mary and Paul Wheeler for hosting the coffee morning which was well supported, raising £52.65 for our funds.

The Barbecue and Boules evening, hosted by Frankie and Tony Lister, to whom we also extend our most grateful thanks, raised £40 and resulted in some twenty family memberships. The weather was not favourable but this did not mar the spirit of the evening and it was quite apparent that boules could become a regular activity.

### Future events
